We are seeking a self-motivated and dedicated professional to be part of the Animal Health Unit team to improve the health, quality and marketability of Saskatchewan's livestock and livestock products.

Eligible applicants will have a Doctor of Veterinary Medicine (DVM) degree, have graduated from a recognized University program within the last 3 years and will be eligible to be licensed to practice in Saskatchewan. If you have a sound understanding of the livestock industry and issues related to animal health and welfare, and want to work with a highly skilled and well-informed team, this career opportunity may be of interest to you. Our candidate of choice will have strong analytical, public relations, organizational and communication skills in order to resolve complex issues involving several competing interests. This position is being reposted. Previous applicants need not reapply.

**Closing Date:** February 26, 2018

**Competition Number:** ADM013075
