Hospital & Wellness Centre
24 Hour Emergency & Critical Care

Bridgewater Veterinary Hospital & Wellness Centre 24 Hour Emergency & Critical Care located in Winnipeg Manitoba, is growing. We are excited to offer the opportunity to join our team of eleven exceptional veterinarians. We are seeking a veterinarian to provide emergency care to our clients and patients.

Our newly constructed seven thousand square feet hospital offers a wealth of tools and technologies. We are proud to offer the first and only CT scanner in Manitoba. Our veterinarians have direct access to all the expected diagnostic tools including Idexx in-house laboratory, digital radiology, digital dental radiology, ultrasound, fluoroscopy, rigid and flexibility endoscopy. We perform a range of complex orthopedic and soft tissue surgery. We pair our orthopedic focus with a dedicated physical rehabilitation center. Our certified rehabilitation veterinarian utilizes multiple modalities which includes therapeutic laser, acupuncture, physiotherapy and underwater treadmill therapy. Quarterly we host dermatology, ophthalmology and dental specialists. It our goal to provide our patients with all the resources we can access.

We know a successful veterinary hospital is not just equipment, it is the people. Our dedicated management team works daily to support positive workplace culture and engagement in veterinary medicine. With over forty veterinary professionals, we are able to care for our patients with the warmth and compassion they deserve.

Our compressive benefit packages reflect our commitment to continuing education, health and wellness. Salary is reflective of overnight employment. Bridgewater Veterinary Hospital offers the opportunity to practice progressive and compassionate veterinary medicine. We look forward to welcoming you! Please forward curriculum vitae to Crystal Miller, Hospital Administrator.
