

## **DEEP SOUTH ANIMAL CLINIC LTD.**

Deep South Animal Clinic is currently accepting applications for an Associate Veterinarian. We are located in Ogema, Saskatchewan, one hour south of Regina. We are a very well equipped mixed animal practice (65% large/35% small) which has been established for over 60 years. We used to list all of our in house equipment, but to make a long story short, if we don't have it, you don't need it! Both large and small animal facilities have been designed to function smoothly and allow excellent care of hospitalized cases. More than 95% of the large animal obstetrical cases are in clinic.

Your first job is really important in shaping your career! We feel our combination of up to date facilities, practice philosophy and enthusiastic, experienced staff makes this position an attractive place for you to practice high quality veterinary medicine. We will provide a competitive salary and an extensive benefits package, tailored to your needs.

More information about our practice can be seen at our website,
