

2021 VETERINARY STUDENT PRECEPTORSHIP PROGRAM

Summer externship subsidy program for veterinary students and veterinary technology students going into their final year of their program. Students and practices apply separately.

STUDENT APPLICATION

Name _____ DVM/VT Class of 2022

E-mail address _____ Phone _____

Address _____

For SK origin applicants:

I have lived in Saskatchewan since _____ High school attended _____

Colleges or universities attended _____

Reason for applying for preceptorship _____

List practices where you have worked or volunteered _____

Additional comments _____

As a 2021 preceptorship student, I agree to:

1. Complete a twelve (12) week practice placement over the summer of 2020 at the rural Saskatchewan large or mixed animal practice I am assigned to by the SVMA.
2. Submit three (3) written reports (500 words minimum) on preceptorship activities. The first report is to be received at the SVMA office no later than **June 30**; the second report is to be received by **July 31**. (Missing one of these deadlines will result in the SVMA withholding the final program payment.) A final written report is to be submitted by **August 31**. This report will be a summary of the entire work period and will require responses to specific questions asked by the SVMA.
3. Notify the SVMA office immediately should I decide not to participate in the Preceptorship Program. Notice of withdrawal from the program should be received by the SVMA office **before April 1, 2021**.
4. Discuss regular and emergency working hours, time off, insurance and whether or not accommodation arrangements will be available with the practice owner prior to April 1, 2021.

Signature _____

Date _____

The application deadline, for both practices and students, is December 4, 2020.

Please submit completed application form to svma@svma.sk.ca or fax to 306.975.0623
