

2021 VETERINARY STUDENT PRECEPTORSHIP PROGRAM

Summer externship subsidy program for DVM students in their third year of study and/or a VT student in their first year of study. Students and practices apply separately, but a desired student may be identified.

PRACTICE APPLICATION

Practice name _____ Mixed animal Large animal

Practice owner(s) _____

Address _____

Phone _____ Email _____

Supervising Veterinarian(s) _____

Are you able to provide or help arrange living accommodations for a preceptorship student? Yes No

Additional comments _____

As owner of the practice, I _____ agree to:

1. Participate in a preceptorship placement of up to 12 weeks during the time between May 01 to August 31, 2021 with the 3rd year DVM student or first year VT student matched to my clinic by the SVMA.
2. Assign one of the veterinarians in the practice to be the primary supervisor for the duration of the program period.
3. Discuss regular and emergency working hours, time off, insurance and whether or not accommodation arrangements will be required with the assigned student prior to April 1, 2021.
4. Provide opportunities for the student to participate in the supervised practice of veterinary medicine as s/he is able.
5. Provide a minimum of \$3000 in wages on top of the \$5571 subsidy from the SVMA and the Preceptorship Program Fund, for a total of at least \$8571, for the 12-week work period.

Signature _____

Date _____

The application deadline, for both practices and students, is December 4, 2020.

Please submit completed application form to svma@svma.sk.ca or fax to 306.975.0623
